St. Helena Counts!

CENSUS

Join Us for a Census Social at the Library Celebrate! Stop by for refreshments and meet with a Census expert who can answer your questions. You may also be counted confidentially.

What is the 2020 Census?

The Census counts every person living in the 50 states, District of Columbia, and five U.S. territories. It provides critical data that lawmakers, business owners, teachers, and others use to provide services, products, and support for you and your community. The Census can shape many different aspects of our community such as hospitals, fire departments and schools.

I pledge
-TO COMPLETE-
the census to shape
the future of
my community

Responses to the Census will shape how hundreds of billions of dollars in federal funding are distributed to local communities annually.
