

## Community Health Improvement Plan (CHIP) Draft- Priority Areas, Goals, and Objectives

Priority Area	Goals	Objectives
<input type="checkbox"/> Housing	<input type="checkbox"/> Ensure healthy, stable, and affordable housing for all in Napa County.*	<input type="checkbox"/> Increase housing stability and affordability for Napa County residents and workers.* <input type="checkbox"/> Increase access to stable housing and a range of support services for those experiencing homelessness and those who are insecurely housed. <input type="checkbox"/> Increase both the availability and appeal of senior living communities as an option for cost-effective and supportive housing for older adults.* <input type="checkbox"/> Increase the feasibility of aging in place for older adults living in Napa County.*
<input type="checkbox"/> Access to Health Services	<input type="checkbox"/> Reduce health inequities and help ensure the well-being of individuals, including children and older adults, through programs and services.*	<input type="checkbox"/> Increase dental care access with a focus on low-income community members who identify as Black, Indigenous, People of Color (BIPOC), including children and older adults.* <input type="checkbox"/> Develop approaches to fall prevention education among older adults that reduce access to barriers and increase opportunities for developing social supports.*
	<input type="checkbox"/> Reduce health inequities and help ensure the well-being of individuals, through system analysis and innovation.	<input type="checkbox"/> Develop policies and programs that expand infrastructure to bring more medical professionals and related health services to Napa County.* <input type="checkbox"/> Assess and identify transgender care service gaps, and specific service needs, in order to increase access to local transgender care. <input type="checkbox"/> Increase health and social service system navigation support, with a focus on undocumented individuals and mixed status households.
<input type="checkbox"/> Race Equity and LGBTQ Inclusion	<input type="checkbox"/> Implement changes to systems and structures that perpetuate white supremacy culture.	<input type="checkbox"/> Increase access to information and services by reducing language and cultural barriers. <input type="checkbox"/> Identify and amplify opportunities for staff diversity training across sectors.
	<input type="checkbox"/> Increase belonging and inclusion among systemically marginalized communities.*	<input type="checkbox"/> Increase inclusion and belonging among the Napa County LGBTQ Community. <input type="checkbox"/> Increase inclusion and belonging among older adults who identify as low income and/or Black, Indigenous, People of Color (BIPOC).* <input type="checkbox"/> Identify and amplify tools for system analysis to determine if policies and programs result in disparate outcomes for community members who identify as Black, Indigenous, People of Color (BIPOC).
<input type="checkbox"/> Economic Stability	<input type="checkbox"/> All Napa County residents have regular access to affordable and nutritious food.*	<input type="checkbox"/> Increase access to fresh, nutritious, and culturally and/or medically appropriate food among low income and Latine residents of Napa County following recommendations from the 2018 Emergency Food System Study.* <input type="checkbox"/> Develop a food systems initiative with a backbone agency with authority and funding to connect resources.* <input type="checkbox"/> Identify and amplify non-traditional methods of consistent follow-up for community members accessing emergency food systems that allow for warm hand-offs to other services as needed.
	<input type="checkbox"/> Transportation options in Napa County are accessible and affordable, allowing residents to meet their basic needs.*	<input type="checkbox"/> Address transportation issues that create barriers to accessing food, healthcare, employment, education, and other basic needs, especially for older adults, youth, and community member who identify as low income, and/or Black, Indigenous, People of Color (BIPOC).*
	<input type="checkbox"/> Address economic stability among systemically marginalized populations in Napa County.	<input type="checkbox"/> Increase economic stability for community members experiencing life transitions, such as those exiting foster care, transitioning to a fixed income, or becoming new parents.

<input type="checkbox"/> Behavioral Health	<input type="checkbox"/> Maintain and Strengthen Suicide Prevention and Early Intervention Services	<input type="checkbox"/> Collect, review, and share data to better understand and address the problem and impact of suicide in our county. <input type="checkbox"/> Increase early identification of suicide risk and connection to services for youth, adults, and older adults.
	<input type="checkbox"/> Prevent and effectively treat substance use disorders and harmful use of substances such as tobacco and alcohol.	<input type="checkbox"/> Increase access to prevention and treatment resources for opioid use disorder. <input type="checkbox"/> Increase understanding of the risks of substance use, especially among youth. <input type="checkbox"/> Provide education and assistance in implementing policies that reduce exposure to tobacco products and secondhand smoke. <input type="checkbox"/> Provide education and assistance in implementing policies and programs that increase safe medication storage and disposal.
	<input type="checkbox"/> Support the mental health and wellbeing of Napa County residents	<input type="checkbox"/> Increase mental wellbeing among Latine, BIPOC, underserved/unserved, and low-income youth, adults, and older adults with an approach that encompasses culturally competent strategies to support mental, physical, financial, and social wellbeing. * <input type="checkbox"/> Increase mental wellbeing and enhance access to mental health services, particularly bilingual and bicultural services, for children and their families, youth, adults, and older adults in Napa County. <input type="checkbox"/> Identify and amplify non-traditional methods of mental wellness support, that address mental health needs and reduce stigma around accessing services.

\*Denotes Goal or Objective aligned with findings from the Napa Older Adult Assessment

Note: The term BIPOC includes individuals of Latine and/or Asian descent, while emphasizing the uniqueness of the Black and Indigenous experience in the Western Hemisphere. We acknowledge that none of the terminology is perfect or universally agreed upon.
